

Dear Class of 2016,

I am so excited about meeting you on February 9th for 8<sup>th</sup> Grade Visit Day. Attached is your permission slip. Your parents /guardians need to sign this so you can come to GCC for the day.

We are doing something different this year. As you may know, everyone who visits us is gifted with a Class of 2016 T-shirt. This year, we're going to give you the shirts ahead of time so **you can wear blue jeans and the class shirt to GCC** on the visit day. (I'll know what size you need based on your permission slip.)

Please return the slip on time so I have time to get the shirts to you before visit day. I'd like to mail/send the shirts at least a week before visit day, that way if it does not fit you can get a different shirt in time. If it does not fit, call me at 724-834-0310 x 205. If there is time, I can send another shirt or set one aside for you and you can get it from me when you arrive for visit day. You are also more than welcome to stop by our main office and pick it up prior to visit day.

Some kids will want to wear a long sleeve T under the shirt and some will not—either way is ok. The 2016 T-shirt is white with maroon and black letters on it. It does not matter what color long sleeve T or turtleneck you wear under the shirt (if you even want to do so). You may wear jeans or pants with your shirts—short skirts are not permitted. ***If you choose not to wear your T-shirt, please dress in business casual attire.***

To ensure that you receive a shirt **prior** to visit day, please return your permission slip on time. We'll be eating pizza and meeting new friends before you know it! Until then, God Bless you and your family.

Peace,

Mrs. Sherman
