

Dear 10th, 11th, and 12th Grade Parent/Guardian(s),

Guidance visited every CHS class and shared information/registration packets with your student. Please look below at the College In High School (CHS) brochure. If your child is currently enrolled in a CHS class or class that offers CHS credits, you can purchase college credits through Seton Hill University, Saint Vincent College, Saint Francis University, or Mount Aloysius College. Registration info guides for each college are on our website. Each College/University has a different deadline and pricing. These are noted in the brochure and registration guides.

Saint Vincent College is currently updating their CHS registration platform. Information will be shared with your student(s) as soon as it is made available.

Please see the information below if you have questions regarding the difference between CHS and AP.

CHS vs AP

CHS means, College in High School.

CHS is different than AP.

However, some of our AP classes can also earn CHS credits with our partner colleges/universities.

AP is governed by CollegeBoard. They determine the curriculum and teachers who want to teach an AP class agree to teach that curriculum. CollegeBoard also has an AP exam at the end of the school year for each AP class. At GCC if you take an AP class you must take the AP exam.

CHS is a partnership with Saint Vincent College, Seton Hill University, Saint Francis University, and Mount Aloysius College. These colleges have looked at several of our classes and curriculum and determined the work and content is equal to a class that is taught on their campus. In the fall, I will visit all CHS classes and give students information to purchase college credits from one of these schools. When you graduate from GCC, if you purchase the credits from one of these schools, you'll have a college transcript that says you completed the class and earned college credit. GCC also offers two CHS classes through the University of Pittsburgh (CHS Pitt Calculus and CHS Pitt Physics) and the teachers of those classes will share registration information in the fall.

GCC

GREENSBURG CENTRAL CATHOLIC

College in High School

2023-2024

<u>GCC Course</u>	<u>SFU Course</u>	<u>Credits</u>
AP Psychology	PSYC 101: Intro to Psychology	3

AP Art & Design 3-D	AR 240: Sculpture I	3

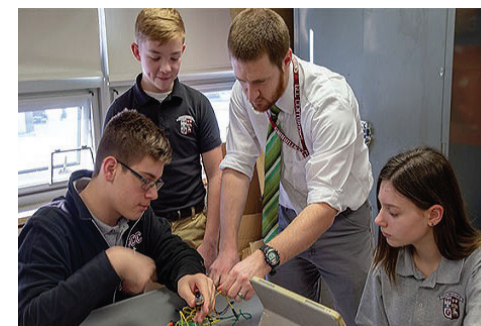

Discounted Tuition Rate \$85 per credit.
SVC is currently changing their CHS registration. Registration and payment to be determined and will be announced as soon as available.

Each of our four participating schools has a different registration cost and deadline. Students may take courses offered by more than one school. Registration information is available in the Guidance Office. SHU, MAC, SFU registrations are to be completed on-line. SVC registration pending. Due to on-line registrations at each college/university NO record of choices will be available through GCC. It is important you maintain records of each course and where purchased.

Contact Mrs. Burke, School Counselor, with any questions.

<u>GCC Course</u>	<u>MAC Course</u>	<u>Credits</u>
CHS Calculus (Instructor Pending)	Math 117: Calculus I	4

Discounted Tuition Rate: \$67.00 per credit. Online Registration with payment instructions at: <https://www.mtaloy.edu/dual-enrollment/>
Online Registration Deadline: current to 10/9/23

Credits earned through CHS have transferred to many colleges and universities. You are responsible for determining if the college or university you are interested in attending accepts the CHS credits offered through Seton Hill University, Saint Vincent College, Saint Francis University, and Mount Aloysius College.

NOTE: Withdrawals and transcript requests are made through each school respectively. It is a student/parent responsibility to manage selections and each school's policies.
