Grant & Aid Assessment

FACTS makes quality education affordable for families by assisting schools in awarding financial aid. We work with schools to create a custom application and collect financial data so schools can make accurate award decisions based on financial need.

After completing the online application, you will need to upload all required supporting documentation.

All documentation received is imaged upon receipt and then destroyed.

You may log in to your FACTS user account to review the status of your application. Please allow 2 weeks processing time before inquiring further about receipt and/or status of the uploaded documents. Application deadlines are set by the institution awarding the aid. If you are applying after the deadline, contact your school to ensure that your application will be accepted.

Students will receive practical tools and knowledge that will help them determine a career path while making life-long connections and friendships.

Student teams will form an executive management team and run an imaginary business. Teams will compete throughout the weeklong camp and be advised by some of Pennsylvania's top executives.

Applications are available at <https://sites.google.com/view/pfew> and the first deadline for guaranteed admissions is Thursday, March 7th.
