Grant & Aid Assessment

FACTS makes quality education affordable for families by assisting schools in awarding financial aid. We work with schools to create a custom application and collect financial data so schools can make accurate award decisions based on financial need.

To apply for financial aid, visit: <https://online.factsmgt.com/aid>

After completing the online application, you will need to upload all required supporting documentation.

The following supporting documents are required to complete the application process:

- 2022 IRS Federal Income Tax Return, including all supporting schedules. If applicant and co-applicant file separately, we require both tax returns for the same tax year.
- Copies of all supporting tax documents if you have business income/loss from any of the following:
 - Business - send Schedule C or C-EZ and Form 4562 Depreciation and Amortization
 - Farm - send Schedule F and Form 4562 Depreciation and Amortization
 - Rental Property - send Schedule E (page 1)
 - S-Corporation - send Schedule E (page 2), Form 1120S (5 pages), Schedule K-1 and Form 8825
 - Partnership - send Schedule E (page 2), Form 1065 (5 pages), Schedule K-1 and Form 8825
 - Estates and Trusts - send Schedule E (page 2), Form 1041 and Schedule K-1
- Copies of all supporting documentation for household Non-Taxable Income such as: Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and Temporary Assistance for Needy Families (TANF). If you do not file a tax return, you are required to provide documentation of all income received.

All documentation received is imaged upon receipt and then destroyed.

You may log in to your FACTS user account to review the status of your application. Please allow 2 weeks processing time before inquiring further about receipt and/or status of the uploaded documents. Application deadlines are set by the institution awarding the aid. If you are applying after the deadline, contact your school to ensure that your application will be accepted.

A non-refundable application fee is required before your application to be submitted.

NOTE: Award decisions are made by the institution providing the financial aid, not FACTS. This application does not guarantee admission or enrollment.

Deadline to apply: May 1, 2024

Qrew Camp is a two-day immersive experience for rising 9th, 10th & 11th-grade students, and their parent or chaperone, to learn more about the natural gas industry and careers in the field. At EQT, we call our employees our “Qrew.” Qrew Camp is a way to engage what we hope to be the next generation of industry leaders and give them a firsthand look at the work we are doing right here in Pennsylvania to provide the low-cost, reliable, clean energy the world needs.
