

SVC CHS registration link: [College in High School \(stvincent.edu\)](https://connect.stvincent.edu) that students must use to register for their College in High School courses. The form is the same as years past, with one thing to make important note of; the student needs to make sure they pick the correct school because that will auto populate the courses offered at that specific school, if they accidentally pick the wrong school- different classes than what you offer will show for them. **The deadline for all student registration to be turned in is October 11th.**

The registration process will go as follows:

1. The student fills out the registration form
2. They receive a confirmation email that their registration went through
3. And then within 24 hours they will receive an email with the initial payment link
4. After that they will get reminders once a week (on Monday mornings) to make their payment if they did not do it from the initial payment link.

Once all the registration forms are turned in, SVC will process on their end. If students have any issues with the registration form, please have them contact me, Gianna Donate, at, gianna.donate@stvincent.edu, and I can edit their forms on my end- if they try to update their registration form it may duplicate their information and cause a duplicate bill.
