# GUIDANCE CORNER

Happy Spring from the Guidance Office!

As we start the last marking period of the school year, many things are happening in guidance. Seniors are busy completing Scholarship applications; discerning admission offers and committing to plans for the Fall of 2026. All local scholarships that are shared with the guidance office are posted to Ms. Burke's Schoology Scholarship Page. Emails are sent to seniors via their GCC email regarding national scholarships. Ms. Burke has met with all Juniors individually and discussed credits, upcoming course selections, and pre-liminary post GCC plans. Pre-ACT exams were administered to 9<sup>th</sup> and 10<sup>th</sup> grade students on Friday, February 27.

Ms. Burke and Br. X will visit all students to share course registration sheets and discuss the scheduling process. The course registration sheets require a parent signature so be on the lookout for your student(s) to share their course recommendations and choices. A packet of information was sent to all SENIOR homes via the US Postal Service. This packet included a schedule of events, scholarship and awards information for Awards Day and the Graduation Book. If you did not receive this mailing, please contact Ms. Burke at [cburke@gcchs.org](mailto:cburke@gcchs.org), or 724-834-0310 x4206.

Br. X is busy meeting all 7<sup>th</sup> thru 9<sup>th</sup> graders for quick check-ins to offer support, build relationships, discuss next year's courses, and share a "dad" joke. Focus on his 11<sup>th</sup> grade Religion class has moved to Morality including the Ten Commandments and living life accordingly. Current 7<sup>th</sup> and 8<sup>th</sup> grade students completed the Placement Exam on Friday, February 27<sup>th</sup>.

## Scholarships

Seniors and Senior Parents!

Local SCHOLARSHIPS have begun to arrive in the guidance office. Scholarships received are listed on the Guidance Schoology Page, under Scholarships.

Each time a new scholarship is added, seniors receive a notification from Schoology.

Seniors can also use the Scholarship search engines posted on the GCC website:

## What is PFEW?

PFEW is an exciting and fun summer program where you'll explore what business is all about—and how it connects to your future. You'll team up with high school students from across Pennsylvania to run a mock company, learning real-world skills and discovering your strengths along the way. Whether you're a future entrepreneur, creative thinker, team leader, or just curious about your career path, *there's something for everyone at PFEW*. No matter who you are, you'll leave more confident and ready to take on the world.

## What will I do at PFEW?

You'll dive into a week full of hands-on activities and exciting challenges:

- Build and lead a company with your peers.
- Compete as a team against other student-run businesses.
- Make decisions on pricing, budgets, banking, marketing, and product design.
- Create a full marketing and advertising campaign.
- Hear inspiring talks from business leaders and motivational speakers.
- Explore your future career options and what makes you tick.
- Meet new people and make amazing friends
- Have fun, and grow in ways you never thought possible.

Whether you love numbers, networking, problem-solving, art, or public speaking—PFEW gives everyone a place to shine.

## All Work and No Play? Not Here!

You'll stay on a college campus, meet students from across the state, and enjoy fun activities and social events. You'll make memories and friends that can last a lifetime. There's also a closing awards ceremony to celebrate your experience.

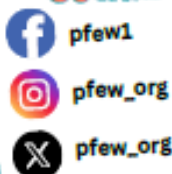

## Can I bring a friend?

Yes! Friends are welcome, as long as they apply and qualify. Want to room together? Just let us know on the application and we'll do our best to place you together. No co-ed dorms. You will end up in different companies, but this will give you both a chance to make new connections while still getting to spend time together.

## Cancellations?

If for any reason your plans change and you must cancel, please let us know as soon as possible. Please note: the PFEW registration fee or any installment made toward the registration fee is non-refundable.

# Document Delivery

GCC distributes report cards and other documents to all families using the PowerSchool Document Delivery System. In order to receive this information, parents must opt-in for document delivery via the parent portal account. Please see the next two pages for instructions.

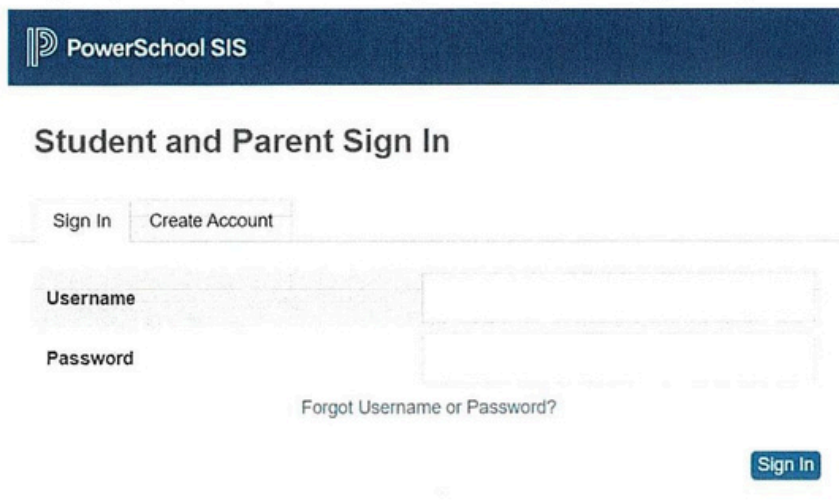

## PowerSchool Digital Document Delivery Parent Instructions

Modified on: Thu, Jul 3 2025 2:29 PM

This guide will explain how to get families to opt-in to receive their report cards electronically and how to use Document Delivery to send them directly from PowerSchool. Attached is a PDF version of the guide that you can download and include in SchoolMessenger broadcasts to your families.

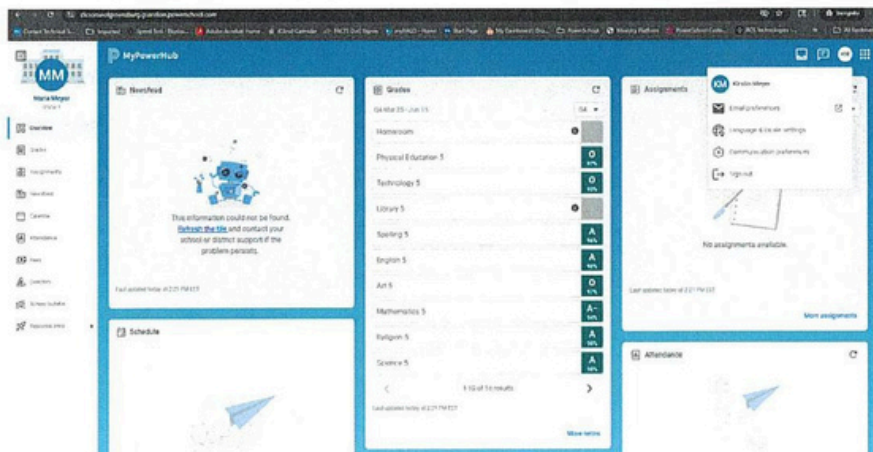

For parents to receive report cards electronically they must first opt-in for document delivery via their parent portal account. Families will need to follow the steps below

1. Log into your MyPowerHub account at <https://dioceseofgreensburg.guardian.powerschool.com/> (<https://dioceseofgreensburg.guardian.powerschool.com/>)

The screenshot shows the PowerSchool SIS login page. At the top left is the PowerSchool SIS logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". Below these are input fields for "Username" and "Password". A link "Forgot Username or Password?" is located below the password field. A "Sign In" button is positioned at the bottom right of the form area.

2. Click on your initials in the top right corner and then select Email preferences.

The screenshot shows the MyPowerHub dashboard. The user menu is open in the top right corner, displaying the user's initials "MM" and a list of options: "Email preferences", "Language & time zone settings", "Communication preferences", and "Logout". The dashboard itself is divided into several sections: "Newsfeed" (with a message about missing information), "Grades" (listing subjects like Mathematics, Physical Education 5, Technology 5, Library 5, Writing 5, English 5, Art 5, Mathematics 5, and Science 5), "Assignments" (with a message "No assignments available"), and "Attendance".

### 3. Select the Document Delivery tab

Check the Opt-In box

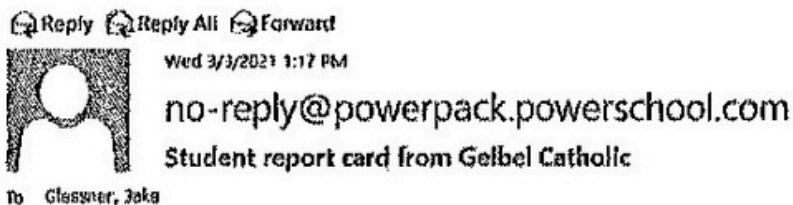

Enter the email address where you would like to receive your report cards. You can enter more than one address separated by commas (,)

Enter a password. You will be prompted to enter this password when you get the report card in order to view it. If you do not set a PDF password anyone with access to the document email that is sent will be able to view the report card.

Click Submit

**Note:** If you have multiple students linked to your account you must go through this process for each student individually.

Here is an example of the email that you will receive. Clicking the link will open up a PowerSchool portal page where the report card can be viewed and downloaded.

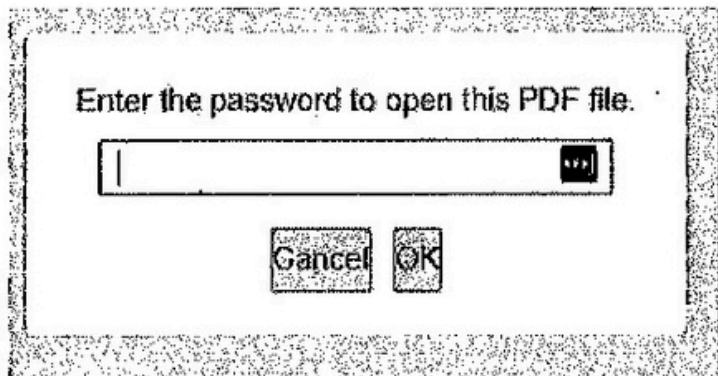

**This message contains your student's digital report card for Geibel Catholic Junior Senior High School. In order to view this file please ensure that you have opted in for Digital Document Delivery and created a PDF password in your PowerSchool Parent Portal account. Please use this guide if you still need to opt in. "link to documentation"**
